*Father's Musings* In the Cycle of Sunday Readings, the oldest are those of Year A in Lent – these

Gospels have accompanied the Church for many centuries. We must realise why: Lent was originally the time of immediate preparation of candidates for Baptism at Easter (something which has been reintroduced to the Church by RCIA): those already baptised used it as a time to prepare for the renewal of Baptismal promises. This is why so much of the Scripture in Lent is about Baptism, New Life and Salvation.

What is the new life of Baptism? What are we set free from? What is sin? We begin Lent by hearing about sin and temptation; the Gospel will tell us of Jesus' own temptations, something he shares with us, though he did not sin. The other Scripture readings prepare us for the Gospel, in which Jesus, the new Adam, triumphs over temptation.

The Penitential Season of Lent is upon us once again. A time to look seriously at our lives and our relationship with the Lord. Traditionally Lent is a time for giving things up in order for us to devote more time to prayer, fasting and other charitable acts. Our personal penances are not something we take on just for 40 days. They are to help us on that journey towards heaven. It's no good giving something up for Lent and then gorging ourselves on it once Lent is over and return to our usual way of life. The season of Lent has a its centre that nasty word no one likes: **CHANGE**. Unless we are already saints then we all need to change some elements of our lives if we are to get to heaven. And that change is not just for 40 days but life long!

There's not much to report this week. The topics for the BSL Exam came in on Tuesday and left me and my fellow students in a bit of a panic. Say a prayer all will be well. We have just under two weeks before the exam.

On Tuesday I celebrated the Wedding of Jordan and Ruth here at St Anne's. We wish them every blessing in their married life.

By the time you are reading this I will be away on a little Christmas Break. It will give me a little time to recover from the cold that currently afflicts me and spend sometime preparing for the BSL Exams.

**SAVE THE DATE - 30th APRIL 6:30pm for 7:00pm**

Curry Night at the Agra in Hapton to raise money for the Lourdes Nursing and Medical Team. It was a grand do last year. Further details to follow.

Happy Fasting!

*Fr Francis*
